

SUSTAINABILITY POLICY OF LINDOS BAY

We at **TUI BLUE LINDOS BAY** are proud to be a sustainable accommodation taking responsibility for our impacts on the environment, our employees and the local community including

Environment

- Complying with the legal requirements of the environmental legislation
- Setting objectives and targets, measuring progress and reporting our achievements
- Preventing pollution and minimizing it by reducing the use of harmful substances
- Using renewable energy sources like solar energy for hot water production
- Using water resources efficiently
- Reducing our waste producing and recycling all waste produced
- Working with suppliers to embed sustainability practices into our supply chain
- Raising awareness of our employees, customers, suppliers and the local community

Employees

- Complying with the legal requirements of employment and human rights legislation
- Respecting our employees and their culture, traditions and intellectual property rights
- Treating our employees equally regardless of their age, disability, sex, nationality, race, religion or sexual orientation
- Ongoing training and professional development for all our employees
- Training our employee on our sustainability policies
- Allowing our employees to join a Trade Union and meet up to discuss employment related issues

Local community

- Employing people from the local community wherever possible
- Maintaining a close relationship with our local community, ensuring that issues of their concern are discussed and resolved
- Purchasing goods and services from local suppliers, wherever possible
- Encouraging our employees to volunteer for activities
- Making regular donations to charities
- Protecting children from all forms of abuse and exploitation, ensuring our staff are trained so they know what to do if they suspect a child at risk, in or near our property
